

CAMPUS UPDATE - October 8, 2020

We learned today that a staff member has tested positive for COVID-19. The individual was identified through our weekly testing. This team member works on the 5th floor of the new Drinkard Building.

We will quarantine the entire Drinkard Healthcare Center as we test residents on the 5th floor and employees who have worked on the 5th floor in the past week.

All visitation for Drinkard Healthcare and the 6th Floor of Hearthside is suspended until further notice.

We continue to work with the local health department to ensure we are taking all proper precautions and we continue to monitor the rate of COVID-19 cases in our health district.

Residents in our Assisted Living neighborhoods will continue visits with family members as scheduled.

New Schedule

Now that some campus activities and services are resuming, our team members are going back to their usual jobs, which is good. This does necessitate one change however. **The new schedule for Drop-off Deliveries to the Williams Road entrance is now Monday, Wednesday and Friday only, 2:00 – 4:00 p.m.**

Sincerely,

A handwritten signature in black ink that reads "Sean Huyett".
