

## CAMPUS UPDATE – June 11, 2021

Special congratulations go to Ashley Jordan, RN, BSN, our director of nursing, for her outstanding leadership over the past 15 months. Ashley was selected for the annual Power of Purpose award given by LeadingAge Virginia. Visit our website for the full story: [wclynchburg.org](http://wclynchburg.org).

We are pleased to report that all team member COVID-19 test results for this week are negative. Our care areas - Assisted Living, Healthcare and the Rehabilitation Center - are open to visitors. Visitation guidelines for healthcare facilities as set by the Center for Medicare/Medicaid Services (CMS) and the Centers for Disease Control (CDC) have not changed.

This means that our guidelines for visiting in these care areas continue. Please help us by adhering to the following:

- **Number of People:** 2 visitors at one time may visit in the resident's room only. Visiting is not permitted in common areas such as lobbies, dining rooms and lounge areas.
- **Screening Required:** Stop in the Main Lobby for temperature and travel screening. You will receive a visitor pass.
- **Face Masks and Social Distancing are Required.**
- **Visiting Hours:** 9:00 a.m. to 8:00 p.m.

Sincerely,
