

## **URGENT UPDATE – June 25, 2021**

### **At 10:00 p.m.**

Good evening,

We regret to inform you that we have identified this evening a staff member who tested positive for COVID-19. This individual last worked on June 22 on the 3rd floor of Drinkard Healthcare.

Per protocol, we have tested all residents in healthcare. All resident results are negative. All healthcare team members will be tested over the next four days to ensure we capture all shifts and both teams.

Following CMS requirements, **ALL AREAS OF HEALTHCARE WILL BE CLOSED FOR VISITATION, THIS INCLUDES 6<sup>th</sup> floor HEARTHSIDE.** Compassionate care visits will continue.

Our Assisted Living and Memory Support neighborhoods will remain open to visitors.

We apologize in advance for any inconvenience. We will be back in touch next week with updates. If all staff member tests return negative results, we anticipate that visitation will reopen Wednesday for all areas in Drinkard and Hearthside with the exception of 3rd floor Drinkard.

Sincerely,

A handwritten signature in black ink that reads "Sean Huyett".
