

CAMPUS UPDATE - 7/19/2021

WE WANT YOU TO BE AWARE THAT BEGINNING JULY 20:

Fully vaccinated team members who work in Independent Living areas of campus will no longer need to wear masks in public spaces. This decision has been made with guidance from the Governor, CDC and CMS/Medicare.

All employees are still required to perform a temperature check before starting work for contact tracing purposes (if needed).

Team members who have not received a COVID-19 vaccination are required to wear a mask in all areas of the campus.

All employees and visitors are still required to wear masks in Assisted Living, Memory Support and Healthcare areas. Staff members who work primarily in Independent Living areas must wear a mask when entering these supported, care neighborhoods.

Fully vaccinated team members may also use the Café dining area for meals. Unvaccinated staff members may still purchase food from the Café but may not dine-in at this time.

A handwritten signature in black ink that reads 'Sean M. Huyett'.
