

## CAMPUS UPDATE – July 9, 2021

We are pleased to report that all team member and resident COVID-19 test results for the 3<sup>rd</sup> floor Drinkard Healthcare neighborhood over the past 14 days are negative.

**Guests will be able to visit residents of that area beginning Saturday, July 10.**

With this re-opening, Westminster Canterbury-Lynchburg is able to welcome all families and friends back to our campus.

However, visitation guidelines for healthcare facilities as set by the Center for Medicare/Medicaid Services (CMS) and the Centers for Disease Control (CDC) remain in place. This means that our guidelines for visiting in our care areas - - Hearthside Assisted Living, Drinkard Healthcare and the 6<sup>th</sup> floor Hearthside Rehabilitation Center - -continue.

Please help us by adhering to the following:

- **Number of People:** 2 visitors at one time may visit in the resident's room only. Visiting is not permitted in common areas such as lobbies, dining rooms and lounge areas.
- **Screening Required:** Stop in the Main Lobby for temperature and travel screening. You will receive a visitor pass. The screening equipment is now adjacent to the Reception Desk.
- **Face Masks and Social Distancing are Required.**
- **Visiting Hours:** 9:00 a.m. to 8:00 p.m.

Thank you again for your continued patience and understanding as we continue to monitor the status of the pandemic and take the necessary precautions to protect our residents and team members.

Sincerely,

A handwritten signature in black ink that reads 'Sean M. Huyett'.
