

CAMPUS UPDATE – 9/14/2021

We need to report that a team member who works in our assisted living care areas has tested positive for COVID-19.

Upon completing our contact tracing procedure, we have determined that we do not believe any residents or co-workers have been exposed. We will monitor all team members and residents in our assisted living neighborhoods for symptoms per requirements from the local health department.

Assisted Living and Memory Support areas remain open to visitors at this time.

Please remember to stop in our Main Lobby for temperature screening and sign-in. Visitor passes are required.

A handwritten signature in black ink that reads 'Sean M. Huyett'.
