

## **CAMPUS UPDATE – 9/5/2021 EFFECTIVE IMMEDIATELY**

**Visitation has closed for the Drinkard Healthcare Center and for the 6<sup>th</sup> floor Hearthside/Rehab Center due to a positive test result for a staff member received today.**

This team member last worked in healthcare on Thursday, Sept. 2. COVID-19 testing for all staff members and residents has started and will be completed over the next few days.

*Visitation remains open for Assisted Living and Memory Support areas.*

All visitors to care supported areas - - like our assisted living and memory care neighborhoods - - must wear masks at all times, including when in a resident room with both parties vaccinated. Masks are not required when visiting outdoors.

Please remember to stop in our Main Lobby for temperature screening and sign-in. Visitor passes are required.
