

CAMPUS UPDATE – January 18, 2021

We need to report we received positive COVID-19 test results for two team members today. One individual worked on 6th floor Hearthside Healthcare yesterday and went home early due to potential symptoms. This person was given a rapid COVID-19 test this morning and the result was positive.

The second individual is a member of the Building and Grounds team and last worked on January 15. Following our contact tracing, it was determined this team member did not have any direct interaction with residents and no exposure occurred.

Staff members will be tested again on January 19 and 21 as the twice-weekly cycle for COVID-19 continues. All Assisted Living and Healthcare residents will be tested on January 20. Residents of 6th floor Hearthside Healthcare were tested January 15.

Visitation in all care areas, Assisted Living, Drinkard Healthcare, Memory Support and the 6th floor of Hearthside, remains suspended. Families are permitted to visit those residents receiving end of life care.

Visitation for all apartment and cottage residents is limited to outdoor spaces only. Family members are not permitted in our buildings.

Sincerely,

A handwritten signature in black ink that reads "Sean M. Huyett". The signature is written in a cursive style with a large initial 'S'.
