

## **CAMPUS UPDATE – January 20, 2021**

We need to report we received a positive COVID-19 test result for one team member today. This individual worked on the 6th floor of Hearthside Healthcare for a short time this morning before being sent home. This person followed proper infection control procedures while working and wore Personal Protective Equipment (PPE) properly as required.

As expected, two of the five residents under isolation care returned to their Memory Support neighborhood today. A third resident transferred to the Drinkard Healthcare Center for additional care.

However, two residents from the 6th floor of Hearthside Healthcare were transferred to isolation care this morning.

All Assisted Living and Healthcare residents were tested for COVID-19 this morning. Team members will be tested again tomorrow, Thursday, Jan. 21.

Visitation in all care areas, Assisted Living, Drinkard Healthcare, Memory Support and the 6th floor of Hearthside, remains suspended. Families are permitted to visit those residents receiving end of life care.

Visitation for all apartment and cottage residents is limited to outdoor spaces only. Family members are not permitted in our buildings.

Sincerely,

A handwritten signature in black ink that reads "Sean M. Huyett".
