

CAMPUS UPDATE – January 5, 2021

We need to report that we received a new positive COVID-19 test result for one team member today. This person last worked on the 4th floor of Drinkard Healthcare on December 26. This individual followed proper infection control procedures while working and wore Personal Protective Equipment (PPE) properly as required.

There are no positive test results for residents of our Healthcare or Assisted Living areas at this time. Residents in these care areas will be tested for COVID-19 again tomorrow, January 6. Testing for staff members was conducted today and will occur again on Thursday, January 7.

Visitation in all care areas, Assisted Living, Drinkard Healthcare, Memory Support and the 6th floor of Hearthside, remains suspended until further notice. Families are permitted to visit those residents receiving end of life care.

Visitation for all apartment and cottage residents is limited to outdoor spaces only. Family members are not permitted in our buildings.

Sincerely,
