

## CAMPUS UPDATE - October 23, 2020

Westminster Canterbury of Lynchburg has identified one additional staff member who tested positive for the COVID-19 virus. This individual works for our Senior Independence Home Health and Hospice agency **and did not have contact with any residents on the Westminster Canterbury campus for the past two weeks.**

There are no new cases of the coronavirus on campus for the past week.

Family visitation for residents of the Drinkard Health Center resume on Monday, October 26. The new schedule from June McNamara was distributed earlier in the week.

Please continue to wear facemasks, wash your hands often and practice social distancing in all public areas on and off campus. Thank you for your continued patience and understanding.

Sincerely,

A handwritten signature in black ink that reads 'Sean Huyett'.

Sean Huyett  
President & CEO
