

CAMPUS UPDATE - October 31, 2020

We learned late last night (Oct. 30) that a staff member tested positive for the COVID-19 virus. The staff member last worked on Tuesday, October 27 on Drinkard Healthcare 4th floor. The individual wore their mask while working and followed infection control procedures.

Staff members initiated testing of all 4th floor residents last night and all results are NEGATIVE. Drinkard residents on all other floors will be tested on Monday morning, November 2. In addition, residents of the 4th floor will be tested again.

Effective Immediately: All visitation for residents of the Drinkard Healthcare Center and the Rehab Center on 6th floor Hearthside are suspended until further notice.

We will share updates as they become available.

Sincerely,
