

CAMPUS UPDATE – November 18, 2020

We learned today that a staff member tested positive for the COVID-19 virus. The staff member last worked on Thursday, November 12. This individual did not feel well and was tested under the advice of their personal physician. This team member wore a facemask while working and followed infection control procedures.

The Infection Control Team initiated testing of all Drinkard Healthcare residents and residents of 6th Floor Hearthside today. Staff members were tested yesterday, November 17.

EFFECTIVE IMMEDIATELY

Per Government Regulations: All visitation for residents of the Drinkard Healthcare Center and the Rehab Center on 6th floor Hearthside are suspended for the next two weeks.

We will share updates as they become available. Thank you for your understanding.

Sincerely,
