

## **CAMPUS UPDATE – December 24, 2020**

We need to report that we received a new positive COVID-19 test result for one team member today. This individual worked during the evening of Tuesday, December 22 in the Memory Support Center. Proper infection control procedures were followed and PPE was worn properly.

All residents in our Healthcare and Assisted Living neighborhoods were tested for COVID-19 on Wednesday, Dec.23. There are no positive results for residents at this time. The testing cycle continues today, Thursday, Dec. 24, for all team members.

Visitation in all care areas, Assisted Living, Drinkard Healthcare, Memory Support and the 6th floor of Hearthside, remains suspended until further notice. Families are permitted to visit those residents receiving end of life care.

Sincerely,
