

## **CAMPUS UPDATE – December 29, 2020**

We need to report that we received five new positive COVID-19 test results for team members today. Two of these individuals work on the 3<sup>rd</sup> floor in Drinkard Healthcare and another works on Drinkard 4<sup>th</sup> floor. They followed proper infection control procedures while working and wore personal protective equipment during their shifts on December 27<sup>th</sup> and 28<sup>th</sup>.

The other employees are members of our Environmental and Customer Service teams. Dates of their last work on campus are Dec. 22 and Dec. 24 respectively. Neither person had direct contact with residents, nor did they work in any resident rooms or apartments.

All residents in our Healthcare and Assisted Living neighborhoods will be tested for COVID-19 tomorrow, Dec. 30. There are no positive results for residents at this time. The testing cycle for staff members continued today, Tuesday, Dec. 29.

Visitation in all care areas, Assisted Living, Drinkard Healthcare, Memory Support and the 6<sup>th</sup> floor of Hearthside, remains suspended until further notice. Families are permitted to visit those residents receiving end of life care.

Sincerely,
