

## **CAMPUS UPDATE – December 30, 2020**

We need to report that we received a new positive COVID-19 test result for one team member today. This person last worked on the 4<sup>th</sup> floor of Assisted Living on December 27. This individual followed proper infection control procedures while working and wore Personal Protective Equipment (PPE) properly as required.

All residents in our Healthcare and Assisted Living neighborhoods were tested for COVID-19 today, Dec.30. There are no positive results for residents at this time. The testing cycle for staff members continues tomorrow, Thursday, Dec. 31.

We are pleased to report that the isolation area in the former Drinkard building is now closed.

Visitation in all care areas, Assisted Living, Drinkard Healthcare, Memory Support and the 6th floor of Hearthside, remains suspended until further notice. Families are permitted to visit those residents receiving end of life care.

Sincerely,
