

CAMPUS UPDATE – December 6, 2020

We learned this morning that a staff member in Assisted Living has tested positive for COVID-19. This individual last worked on Sunday, November 29 and was not in contact with any resident or co-worker for longer than 15 minutes.

All team members and residents in Assisted Living will be tested for the virus over the next two days, Monday and Tuesday (Dec 7 and 8).

Unfortunately, there will be no visitation in Assisted Living for the next two weeks.

Thank you for your patience and understanding.

Sincerely,

A handwritten signature in black ink that reads "Sean Huyett". The signature is written in a cursive style with a large initial 'S'.
