

CAMPUS UPDATE

DATE: APRIL 17, 2020 4:00 p.m.

FROM: Sean Huyett, President & CEO

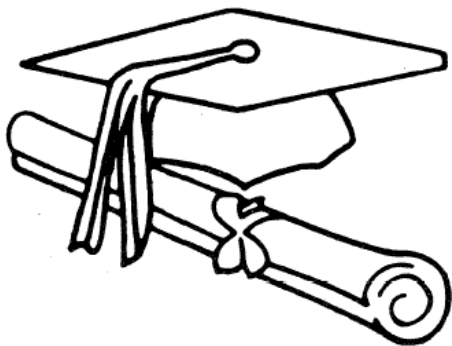

IT'S WORKING!!!

NO VISITORS TO CAMPUS – **PERIOD**

Many of you have seen our team members sitting under a canopy along the main drive this week. We are monitoring all traffic to help insure that our buildings remain closed to all visitors. We must remain vigilant in order to reduce the risk of getting the COVID-19 virus on our campus.

SOCIAL DISTANCING applies to All Residents and All Employees, keep a distance of 6 feet apart when we see each other in the halls, on the elevator, etc.

CELEBRATING GRADUATES – Add you family's graduate to the 'Year 2020' display on the Bridge. Pick up the graduation announcement form from the Resident Life and Wellness office (Gwen Pope-ext. 3515). The display will feature graduates from Kindergarten through College.

Please complete the form by including an early grade school and graduation picture. IF you are unable to obtain a graduation picture, you may attach any recent photo you choose. The pictures must fit in the area provided. Be sure to print your name and phone number on the back of each picture so they can be returned to you.

Completed forms must be returned to Gwen by May 8th. The full display of graduates will be posted on the Bridge beginning May 29th.

NEW DELIVERY box!

To Help Celebrate Earth Day Next Week!

Starting on Tuesday, April 21, dining services will begin to use reusable delivery meal boxes. There are a lot of details that need to be considered as we move forward and ask for your continued support to make this successful!

More of the delivery menus will include entrée's 'bundled' with a side to be able to efficiently change the system from how we currently 'build' individual orders.

With great concern for Infection Control, although we ask you to wash them, they need **to be returned daily**. Please place outside your door by **11am or 4pm** so we can collect them during our next meal delivery. **We** have to wash them in our commercial machine to ensure proper heat sanitation.

We know how cool these are, but WCL is going to great lengths to try to reduce the cost of paper/disposables during this unusual time; not to mention it's the right thing to do! **Please** do not keep them for on-going personal use, including for leftovers. We can only continue to use them, *if we have them to use!*

If after COVID-19 you're interested in purchasing some for a reduced price, we will be glad to do so.

Thank you!
