

CAMPUS UPDATE

DATE: APRIL 10, 2020 4:00 p.m.
FROM: Sean Huyett, President & CEO

NO VISITORS TO CAMPUS – PERIOD.

The only exceptions are for residents and families facing end of life situations.

Many of you have seen our team members sitting under a canopy along the main drive this week. We are monitoring all traffic to help insure that our buildings remain closed to all visitors. We must remain vigilant in order to reduce the risk of getting the COVID-19 virus on our campus.

This situation with COVID-19 is new for all of us and it isn't easy for anyone. We appreciate your understanding during this very unusual time of pandemic.

SOCIAL DISTANCING – The CDC continues to recommend that all of us, *All Residents and All Employees, keep a distance of 6 feet apart when we see each other in the halls, on the elevator, etc.* **This applies to EVERYONE!** And remember, only 3 people in the elevator at one time.

WC SHOPS FOR YOU: We have a good system in place now that gives you options of how to acquire food, supplies and medicine without leaving campus. See the **“Shoppers Guide”** section of this message for details on the options available. **Please read this material and choose how you will shop moving forward. This is very important. Don't risk infection by going to the grocery store or pharmacy.**

STAFF MEMBERS ARE WEARING MASKS in all public areas of campus as another step to reduce their risk, and yours, of contracting the COVID-19 virus. Our resident team of fabric cutters and sewing machine engineers provided 350 or more mask covers to our employees. *What a gift! We are so thankful for their work.* Now this group is working diligently making masks that will be distributed to residents in the next week or so.

FLOWERS FOR YOU – Some residents have been planting vegetables and flowers in the garden plots. If you have a desire for some annual flowers, you can take advantage of the “Plant Run” offered by our Buildings and Grounds Team. Here's how it works:

Call Virginia Lawn and Garden (434-384-2441) with your order by Weds., April 15. Once the orders are ready for pickup, the B&G team will deliver them to your door.

DINING MENUS & MORE: The last pages of this update give you the Menus for next week, details on the “Cook at Home” option AND a Grocery Option.

EASTER WORSHIP SERVICES Join Chaplain Kristie Miles for this year’s Easter message on TV Channel 970. It will be broadcast at 7:00 a.m. 11 a.m. Check back at 3:00 p.m. for a possible broadcast of Episcopal Bishop Michael Curry’s service.

MINI CONFAB continues on Thursdays at 2:00 p.m. on TV Channel 970. Submit questions in advance by calling or emailing Angela Jones, Ext. 3506 or ajones@wclynchburg.org

SHOPPERS GUIDE

Please read the information below and determine how you will shop moving forward. You can order online, visit the Corner Market and get food through Dining Services. Any combination of these is OK. Our goal is to have all residents ordering online or letting WC place the order online.

The options are as follows:

1. **Order groceries online** at either the Boonsboro Kroger or the Old Forest Road Walmart. Ask for a pick-up time between 9AM - 5PM, Monday through Friday, then let Gwen Pope x3515 know your pickup day and time. We will go and pick up your groceries for you. Due to high demand, pick-up dates are often 4 days out. Please be aware of this and plan ahead for what you will need for the next week. The health and safety of our residents and staff is of utmost importance. If you need help placing an online order, please call Gwen Pope (3515) or Susan Thornton (3528) and they can assist you.
2. **Give your grocery list to Gwen Pope** and she will place the order for you. Please make one order for the week and remember, it may be 4 days before your order can be picked up and delivered to you.
3. **Have family or friends in town help out.** Ask them to get your groceries or other supplies and drop them off at the **drop-off point at the Williams Road entrance** to the Memory Support Center (at the circle). We will make sure you

get your groceries promptly. **This option is available from 2 PM – 4 PM Monday through Friday.**

4. **THE CORNER MARKET** is open in the Main Lobby, 10 a.m. – 12 noon, Monday through Friday. There are quite a number of items available. Resident volunteers will get the items off the shelf and charge them to your WC account. **Please notice the posted sign and the X's on the floor so you can follow our 6 ft. distance rule as you order and wait for your items. Here's a list of the current items in stock:**
