

CAMPUS UPDATE - 8/12/2021

We need to inform you that our Memory Support neighborhood, Canterbury Gardens, is able to welcome visitors today. Please remember to visit the Main Lobby to sign-in and to receive your visitor pass. Masks are required in all care neighborhoods.

Visitation remains closed for all other Assisted Living neighborhoods.
A 2-week period of closure is required for assisted living under our infection control protocol.

Residents and staff members in these care areas, assisted living and memory support, will be tested for COVID-19 again on Monday, August 16.
