

CAMPUS UPDATE - August 12, 2020

Westminster Canterbury of Lynchburg learned today that one of our staff members tested positive for the COVID-19 virus. Due to the employee's appropriate use of personal protective equipment while working, we are not going to quarantine any residents at this time. This person last worked on Saturday, August 8 on the 6th floor of the Hearthside Building.

Our team member was not feeling well and went to a physician on their own. This case was not identified in our fourth round of testing conducted on August 10. This is the 10th staff member to test positive since the beginning of July.

Thank you for your patience and understanding.

A handwritten signature in black ink that reads "Sean Huyett".
