

CAMPUS UPDATE – September 9, 2020

Westminster Canterbury of Lynchburg learned today that one of our staff members tested positive for the COVID-19 virus. This person last worked August 28. The individual was on vacation recently and went to get tested on their own because they were exhibiting symptoms.

We have talked with the local health department and have determined that the staff member did not acquire the infection while at work and was not contagious when they were here last month.

Sincerely,

A handwritten signature in black ink that reads "Sean Huyett". The signature is written in a cursive style.
